

CHITHARI SRIKANTH

Junior Full Stack Java Developer Trainee

Gmail | 8247018458 | KPHB,Hyderabad | LinkedIn | GitHub |Portfolio

SUMMARY

Innovative and forward-thinking Java developer with expertise in Spring Boot, MySQL, and HTML/CSS. Seeking a challenging role that utilizes my technical expertise and passion for software development to drive business growth and success.

SKILLS

- **Programming Languages:** Java, JavaScript
- **Web Development:** HTML, CSS
- **Libraries/Frameworks:** Bootstrap, SpringBoot
- **Tools / Platforms:** Git, GitHub, VS Code, Eclipse, Spring Tool Suite
- **Databases:** MySQL

EXPERIENCE

Tata Strive | Junior Full Stack Java Development Trainee | Hyderabad

Nov 2024 - Present

- Hands-on experience in developing scalable, efficient, and innovative web applications.
- Strong understanding of database management systems and proficient in SQL.
- Excellent problem-solving skills, teamwork, and communication.

PROJECTS

Medverse |Link | React, Spring Boot, Hibernate, MySQL, JWT, REST APIs

- **Backend:** Designed and developed RESTful APIs with **Spring Boot** and optimized a **MySQL** database schema, achieving a **98% API response accuracy** and a **30% improvement** in data retrieval performance
- **Frontend:** Built a responsive user interface with **React.js**, ensuring **100% cross-device compatibility** and increasing user engagement by **30%** through intuitive dashboards and forms.
- **Security & Efficiency:** Integrated **JWT authentication** and **RBAC** for secure data access, achieving a **99% success rate in security testing**, and implemented real-time notifications with **95% delivery accuracy**.

Student Database Management System|Link | Java, Spring Boot, MySQL, Hibernate, HTML, CSS, Bootstrap

- Developed and deployed Spring Boot applications with **CRUD operations** using MySQL for efficient data management.
- Designed dynamic user interfaces with HTML, CSS, and Bootstrap to enhance user experience and responsiveness.
- Optimized database queries, improving performance by **30%**, and implemented authentication, error handling, and logging for a seamless workflow.

EDUCATION

Vaagdevi College of Engineering | Computer Science and Engineering | Warangal | June 2020 - April 2024 | **CGPA: 7.79**

Telangana Residential Junior College | MPC Intermediate | **Percentage: 77.4%**

Siddhartha High School | 10th Grade | **CGPA: 8.2**
